

Affidavit Ex-10 Rubie Ruffin

- (1) This affidavit was written and sent to me at Bullock. There is one detail that has been left out, Rubie Ruffin helped me to receive and sent a job app. on computer and fax for a job in Miss.
- (2) In this affidavit she now states Lafayette Ruffin was hit with hand there is no mention of a lamp. There are no injuries to Lafayette Ruffin that would report being hit with anything.

Summary

Rubie Ruffin has made many confusing statements, please review her witness statements Ex. 11-12 and compare. This also dismisses stalking charges, how is it possible to stalk people who conscientiously and willingly leave their home to pick someone up and take them back to their home and allow that person to stay there.

AFFIDAVIT

Before me, the undersigned Notary Public, personally appeared Rubie Ruffin, who being known to me, and after first being duly sworn, deposes and says as follows:

My name is Rubie Ruffin and I am 69

years of age and competent to testify

On Thursday 5-11-06 I (Rubie Mae Ruffin) picked up my son (Kevin L. Ruffin) from the River Road AA Meeting and carried him to our home. Kevin stayed with my husband and I for a few days without any incidents. On Saturday 5-13-06 I took Kevin to Dunn's Auto Sales to look at a truck. My husband (Clayette Ruffin) and loaned the money for the truck to Kevin. Kevin and I returned to our home and watched a movie that afternoon. He left the house and returned later that afternoon. Upon returning, he came in the house and ask "What are you all doing?" A struggle started and Kevin hit his father with his fist (Hand) to the side of his head.
